

KRISH ENTERPRISES

PRODUCT CATALOGUE 2025-26

Direct From Manufacturer

Premium Construction Lubricants & Industrial Greases

Mumbai | Navi Mumbai | Thane | Pan India

WHY CHOOSE KRISH ENTERPRISES

- 1 Direct From Manufacturer**

Eliminate middlemen and save up to 20% on costs instantly. Factory-direct pricing on every order.
- 2 Trusted Across India**

Our greases and lubricants keep metro rails, highways, airports, and major real estate sites running.
- 3 Bulk Orders, Fast Delivery**

We deliver anywhere in Mumbai, Navi Mumbai, Thane, Ulwe, and all major project sites.
- 4 ISO-Tested Quality**

Every batch is tested for performance in tough site conditions. Protecting your machines, boosting uptime.
- 5 50+ Infrastructure Giants**

Serving India's largest construction and infrastructure companies with consistent supply.
- 6 24/7 Technical Support**

Expert advice on product selection, application methods, and troubleshooting. Always available.

GREASES

Yellow Grease / Batata Grease

Water-resistant, high-adhesion grease for Mivan shuttering systems. Prevents rust in humid conditions.

APPLICATIONS: Mivan panels, scaffolding, construction equipment

AP3 Grease

Premium lithium-based all-purpose grease. High load capacity, excellent mechanical stability.

APPLICATIONS: Excavators, trucks, wheel bearings, heavy machinery

MP3 Grease

Multi-purpose industrial grease. Performs well under high temperature up to 120 degrees C.

APPLICATIONS: Construction, automotive, general industry

Gel Grease

High-temperature, anti-sling formula for extreme conditions. Superior adhesion under vibration.

APPLICATIONS: Motors, chains, gearboxes, heavy-duty equipment

Calcium Grease

Reliable water-resistant lubrication. Excellent corrosion protection in wet environments.

APPLICATIONS: Marine, construction, general industrial use

Open Gear Grease

Heavy-duty extreme pressure lubrication. Withstands shock loads and harsh environments.

APPLICATIONS: Crushers, mixers, batching plants, kilns

Mivan Shuttering Grease

Specialized grease for smooth Mivan panel hardware operation. Extends pin and wedge life.

APPLICATIONS: Mivan panel pins, wedges, tie rods

OILS & FLUIDS

Mivan Shuttering Oil

Specialized release oil for aluminium formwork. Clean panel release with zero residue.

APPLICATIONS: Aluminium formwork, Mivan systems

Hydraulic Oil (32/46/68)

Premium hydraulic fluid in multiple grades. Advanced wear and corrosion protection.

APPLICATIONS: Cranes, excavators, loaders, industrial systems

Gear Oil EP 90 / EP 140

Extreme pressure gear oil for heavy-duty applications. Protects under shock loads.

APPLICATIONS: Tippers, excavators, gearboxes, differentials

Cutting Oil

Premium cutting fluid for metalworking. Reduces tool wear, improves surface finish.

APPLICATIONS: Drilling, tapping, milling, metal fabrication

Black Oil

Cost-effective mineral-based lubricant. Ideal for non-critical lubrication and engine flushing.

APPLICATIONS: Generators, cranes, engine washing

Chain Oil

Anti-wear, water-resistant chain lubrication. Penetrates and protects in harsh conditions.

APPLICATIONS: Cranes, conveyors, construction equipment chains

JCB Oil (UTTO)

Heavy-duty universal tractor transmission oil. Single fluid for multiple systems.

APPLICATIONS: JCB transmission, hydraulics, wet brakes
